FLOORs

Admonter FLOORs on underfloor heating systems
Admonter FLOORs are ideally suited for underfloor heating systems. We recommend hot-water underfloor heating systems set at low temperature.

Please find detailed information in the information sheet Admonter FLOORs on underfloor heating systems!

Admonter accessories
The wide range of accessories matches the Admonter FLOORs and includes matching boarders, flush-mount skirting and solutions for staircases.

Regular care and maintenance
Please see the Admonter maintenance & installation instructions for small format floorboards.
